The 25th Stockholm International Film Festival November 5-16 2014.

Stockholm International Film Festival started in 1990 and is today one of the leading competitive film festivals in Europe. The festival takes place every year in November with more than 200 films from more than 60 countries. More than a festival: we organize exclusive screenings and the popular Summer Cinema – an outdoor mini-festival. Every year in spring the Stockholm International Film Festival Junior brings the latest films to youngsters between 6 and 16 years of age.

WE LOVE FILM!
